# DJ FESTIVE NIGHTS

Celebrate the festive season with your colleagues and friends! Enjoy a red carpet arrival before a festive drinks reception, (and on certain dates, an early bird bar for those who arrive early!), a delicious three-course festive menu with tea coffee and mince pies, and our resident DJ playing a mix of classics and popular music, through the evening. So be sure to let your hair down and celebrate!

We all had a lovely time. The set-up- was well managed from start to finish - pre-ordered drinks on the table, and the food served promptly. The band was great as was the music throughout the rest of the night. I can honestly say there are no negatives and everyone went home merry with a smile on their face ;) The email communication and payment system also worked really well and the whole process was easy and stress-free.
