THE SCREENS

The Terrace features high-impact digital screens both inside and outside the venue: perfect for branding, personalised messaging, or event schedules. Whether it's a private party or a corporate function, these screens offer a dynamic way to enhance guest experience.

EXTERNAL DIGITAL SCREENS

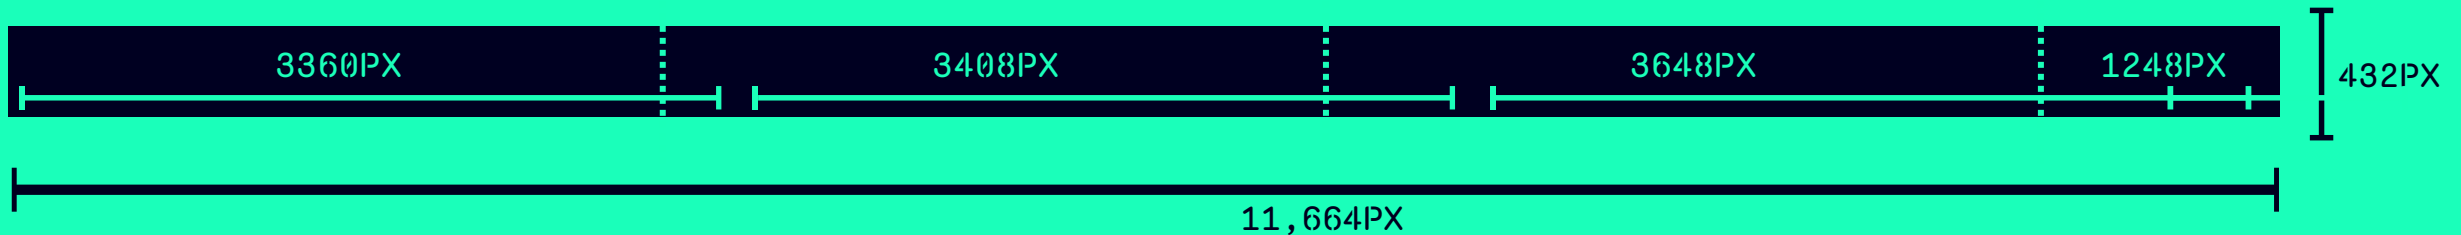

EXTERNAL DIGITAL SCREENS

The external facade of The Terrace includes a full-length LED that wraps the entirety of the building.

The full size of the screen is 11664px X 432px.

The diagram below shows how the screen is broken down into 4 sections along the outside of building. The external LED screen can be used in full or broken down into various sizes to include both live and static content.

TO GOOD NOT TO GRAB

INTERNAL DIGITAL SCREENS

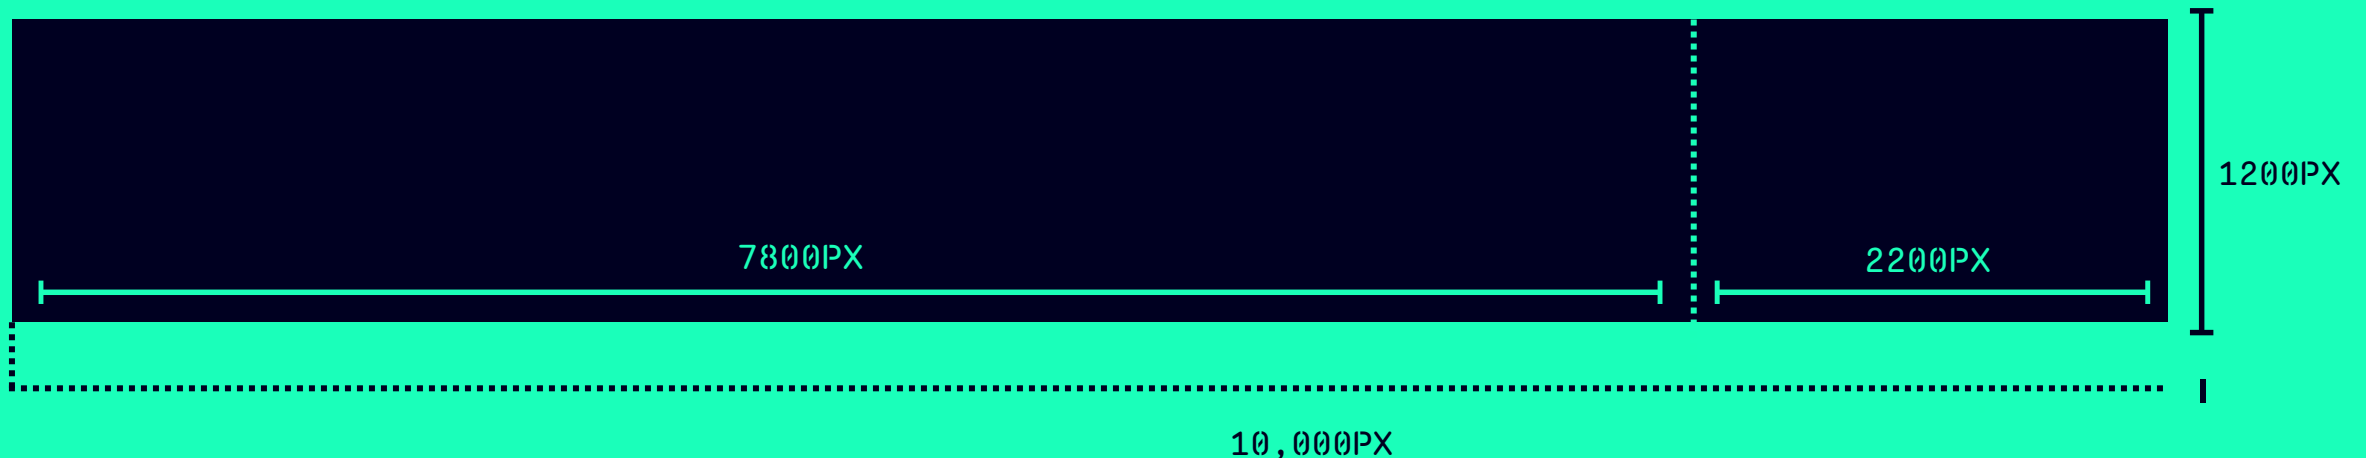

INTERNAL DIGITAL SCREENS

On the inside of The Terrace there is a large LED screen that stretches across the west side of the building.

The full size of the screen is 10000px X 1200px.

The diagram below shows how the screen is broken down into 2 sections along the inside of building. As with the external LED screens, the internal screens can be used in full or broken down into various sizes to include both live and static content.

FULL SIZE

BALUSTRAD DIGITAL SCREENS

BALUSTRAD DIGITAL SCREENS

The Terrace also contains a LED balustrad that stretches across the balcony of the upper floor.

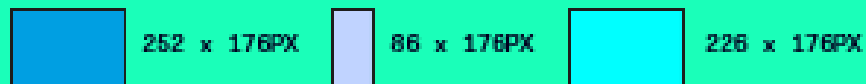

The full size of the balustrad is 4848px X 176px.

The balustrad LED can be split up to include content on each individual panel as shown below. Any part of the content that you would like transparent needs to use the HEX code #000000.

THE FOOD

The Terrace has a full drinks range from Heineken including Cruzcampo and Brixton, alongside local favourite Harvey's. We also have four fantastic street food offerings and are working with some fantastic local heroes.

Signature chicken dishes, sauces and sides from a popular Brighton culinary institution.

B I T E S

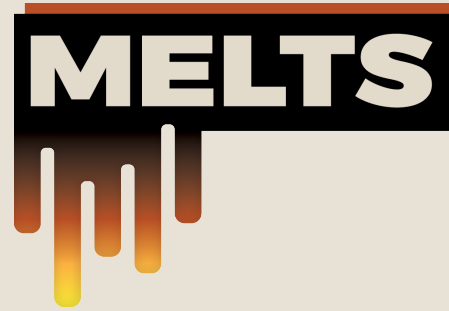

Mouth-watering burgers, beef hotdogs and sides from our Sussex based BBC Masterchef: The Professionals winner, Steven Edwards.

- ZEN -

Bringing bold flavours with Asian fusion favourites and vegetarian variety. Zen is your go-to for fast, fresh, and flavour-packed street eats.

Toasties, shakes, not your ordinary doughnuts and everything else café culture.

piing

Piing makes games for crowds of 30 to 100000.
Everyone plays together, creating an incredible
atmosphere in stadiums, fanzone and at events.
